

AUTHOR BIO

Assignment Summary

When you are disseminating your work, your name will be attached to it. How do you want to introduce yourself to your audience(s)? This is an important question to ask yourself when attaching your name to various projects throughout your scholarly and professional career (see [this website](#) for examples). For this assignment, you will be writing a professional bio to attach to your work in CODES.

Objective

Write a professional bio that aligns well with your work in CODES and can be adapted to various future projects.

Author Bio (Due Tuesday, March 31 at 11:59 pm)

Individually, please write a professional bio that includes the following elements.(approx. 150 words):

- 1) Your name
- 2) Your basic background (e.g., year in college, major, professional interests)
- 3) Your key experiences (e.g., classes, projects, work experience)
- 4) Your value (i.e., what you have learned from your key experiences)
- 5) Your future goals
